MEN'S AND WOMEN'S GOLF CHAMPIONSHIP

Championship Format

1. 12-team (men), 8-team (women), 54-hole, stroke play Championship. Men's teams compete in threesomes; women's teams compete in threesomes/pairs. Championships will be held on separate, consecutive weekends with the women competing on the first weekend. Championships are conducted in four days with each team's five members playing an 18-hole practice round on day one, and one 18-hole round on days two, three and four.

Groups of five are permissible during the practice round. Groups of six are not allowed and coaches are not allowed to play during the practice round.

Team scoring is computed by combining the scores of the four lowest players during each round.

2. Suspended Play:

The decision to suspend play because of inclement weather is that of the Committee and the Conference staff with input from the Head Rules Official and the course's professional staff. If everyone has not completed a round, every effort will be made to complete that round at the discretion of the Committee.

The decision to shorten the Championship because of time/weather will remain consistent with USGA standards (18 or 36 holes).

In the event that no 18-hole round can be completed, the Golf Committee will determine the Conference's automatic bid representatives. In the event that the Championship(s) (men's and/or women's) are not completed (17 holes or fewer), no champion(s) will be declared.

3. The men's and women's tournament champions earn the Conference's automatic bid to the NCAA Tournament. Also, the men's individual tournament champion, if not selected on a participating team, will receive an automatic invite as an individual to the NCAA Tournament. In the event of a tie, playoffs (time and weather permitting) will be used for breaking ties for advancement. If a playoff is not possible, the tiebreaking procedures outlined in the NCAA Division I Championship Handbook (Appendix A) will be used.
4. A tournament meeting is conducted for all participating head coaches the day preceding the start of the Championships.
5. A social for the twelve (12) participating men's teams and eight (8) participating women's teams is scheduled the evening preceding the start of the Championships.
